Allergies? Please speak to a member of staff prior to ordering if you have any allergies or dietary requirements. Unfortunately it is not possible for us to guarantee that any product is 100% free from any allergen, as all are used in both the bar & kitchen.

As beer lovers, we understand the importance of a balanced beer list. That's why we take pride in curating a selection of the finest brews from around the world.

Each beer on our list has been carefully chosen to provide a unique and delicious drinking experience. But it's not just about the taste - we also take great care in looking after our beer. From proper storage to perfect pouring, we go above and beyond to ensure that every pint is served at its very best. So whether you're a seasoned beer aficionado or just starting out on your craft beer journey, you can be sure that you'll find something to love on our carefully crafted beer list.

If you're a fan of real ales, don't hesitate to ask your server about our rotating selection. We're always featuring new and exciting brews, and our knowledgeable staff are more than happy to help you find your next favorite. So come on in, pull up a stool, and let's explore the world of real ale together!
